- Committee Reports:
  - **Academic/SIAC/Wellness:** Amanda Dvorak, Chair  
Data from FAST scores and MAP scores were reviewed. New curriculums should help with deficiencies. Next testing will be in January and will be reviewed at conferences in the spring.
  - **Faith and Service:** Theresa Welch, Chair  
The School theme for this year is Be the Light. The Committee is looking to reform Catholic Schools Week: focusing on the Saints and prayer service every day, the possibility of Fr. Daniel to talk about pro-life to the older kids, proLife poster contest. Grandparents day is returning. The Committee is discussing Advent ideas. The student led mass went well.
  - **Fundraising:** Vicki Nolan, Chair  
Staff meals for parent/teacher conference week were provided by Fundraising Committee and a grandparents group. There will be a fundraising calendar developed. Small fundraisers, like Mum Sale, will go towards the budget that funds teacher appreciation and community events. The Gala Committee continues to meet. Save the Date cards and posters have been printed. We received a report that old PTC account currently has \$57,000 – this includes last year's Gala funds.
  - **Community and Social:** Mary Dazi, Chair  
Trunk or Treat will be on October 27, 6-8 pm. Discussion about Homeroom Parents and if teachers should be recruiting those. If the Committee could get a list of those parents, then

community event information can be emailed to them so we can get additional support or interest. A Christmas event is pending; maybe a movie night.

- Administrator Report – Current enrollment is 247 students. Daycare has 1 spot open in 3s otherwise full. ESA families verified. There have been 67 families that have registered for the 24-25 school year. If 40 students enrolled in a grade will then divide into 2 sections. Curriculum night was well received by those who attended. We need to recruit more community/social members.
