Smart Watches

Students are not allowed to wear Smartwatches during class unless there is a medical reason and a note is provided by their doctor. Per our handbook, smart watches cannot be worn during school. Even if a kid says he/she can disconnect it from the wifi, it needs to go in the locker or stay at home.

during school hours and will be powered off at the beginning of the school day. Students are not allowed to text, film, record or use any of the above mentioned items without specific permission from a teacher.

Drop-off safety

Students shouldn't be out of the car until 7:45 a.m. with a staff member present. Students should not be out of your vehicle in the morning before 7:45 a.m. It is not safe to have a student out of your car without a staff person present. School doors are locked until 7:45 a.m. and students can enter the building.

School phone number

Our school phone number is 515-277-0178. Please make sure this is the number in your phone, as we discovered a few parents have been using a rollover number and we do not get the messages.

Screening of Screenagers: Elementary School Edition Movie

Please join us on Wednesday, October 2nd at 7 p.m. at St. Augustin Catholic School for a special screening of *Screenagers: Elementary School Edition*, an award winning film that probes into the vulnerable corners of family life and addresses issues that elementary school-aged kids, parents, and educators are facing, i.e.:

- Smartphones and smartwatches in class
- Unhooking from and monitoring video gaming
- Social media pressures
- Exposure too young
- Research around healthy amounts of screen time

The film blends real-world examples and expert advice with the latest research and solutions for parents and educators. Screenagers offer solutions on how we can help our kids navigate the digital world.
