

Saint Research Project 2024-2025

For Confirmation you will be selecting a patron saint. This saint could be someone that means something to you and where you are in your faith journey. It could also be a saint that possesses some virtue or characteristic you feel you need in your life.

There should be some thought and prayer that goes into selecting this patron saint. If you have no idea, you can talk to me or email me for some ideas.

Please turn your Saint Research Project in by Wednesday, January 15th, 2025. This can be a digital copy, or printed and brought to Confirmation class. The project should be around 1-2 pages.

The following things must be included in this paper:

- Name of the Saint
- Date of birth and death
- Where they were born and died
- When is their feast day?
- What are they the patron saint of?
- What miracles or signs did this saint demonstrate?
- How did this saint live a holy life? What did he or she do to show the love of God?
- Why did you choose this saint to be your heavenly patron?
- How/why is this saint a role model for you? What did this saint do that inspires you?
- What will you do to demonstrate that you're following this saint's holy example?
- Any other interesting information about this saint you would like to include!

If you have any questions, please let me know!
